M. O. ACTIVITIES SHOULD BE ON THE INCREASE

The changes in seasons have brought the game of bowling into prominence once again. While the game does not attract paying spectators as other sports do, it has managed to attract millions of participants in the past few years. It has become a popular sport for all ages and it is popular with men and women in all areas of the U. S.

The game has picked up in popularity as a Jeddota activity in the past few years, but it should not be overlooked as a Jeddota activity. The general membership who need more crusaders and leaders from among men and women members who would step forward to give this game a boost in their areas.

Jeddota branches in all districts having no activity for years could build on the Jeddota sports background with the game of bowling. Time of course will tell the story of progress and success in this season. Very optimistic we are for a very substantial increase of entries among our bowlers and bowlers.

We appreciate the interest that bowling has for our senior members but there is no reason why the youngsters of our M. O. could not become a part of a Jeddota bowling program. It is a fine sport. New bowlers at the appropriate time to give some real consideration to the promotion of activities for more of our youngsters.

ACTIVITIES ARE INTEREST BUILDERS

The promotion of any type of live activity which brings together the membership can create top interest and lead the way to greater progress for our organization. The interest of each participant in an activity made possible by our Jeddota pays real dividends in a long run. Knowing all this is true, why shouldn't we recruit more leaders in our fraternal areas who would assume sports organization responsibilities on behalf of the youngsters?

More and more, there is a real need for greater interest in the welfare of the youngsters. In the Jeddota, because of the numbers, and the amount of time and effort involved in the Jeddota, the Jeddota has been able to hold a number of meetings, discussing all phases of the Jeddota, plus the promotion of activities could lead the way in the direction of the Jeddota.

In some quarters, I'm sure that the youth get the idea that the Jeddota is strictly an insurance organization, where a collector picks up the money and the insurance company takes care of the rest. It is important to carry insurance, we should dispel this idea and let all know that we are a top fraternal organization. Perhaps a good way to do this is to have a series of meetings, discussing all phases of a real fraternal. Some meetings could be set up from time to time in our areas to explain the whole Jeddota organization.
