OLD YEAR PACKING UP TO MAKE WAY FOR NEW YEAR

In a few short days, 1938 which we have gotten to know real well will be making its exit. Any unfinished business that still remains must be disposed of in a hurry or be carried on into the new year.

Because of the usual busy and hectic during these modern times, the passing of another year will bear no special significance to us. So many things to be done and to be done in the new year. To those that had been burdened with trials and tribulations, the new year will be awaited with anxiety for the things to come.

Before the old year passes out of the picture, and because we all have many things to be thankful for, let's bow our heads and offer a prayer of thanksgiving to the Almighty God for the many blessings to our families and loved ones.

We should offer an extra prayer for the preservation of our country for the welfare that are involved in the new year of our country, for lasting world peace for the F. C. S. U. and its members, and for all the things that are dear to all of us.

We also ask for continued divine guidance and understanding to meet the problems that will confront our daily lives. Let's all take our heads high and with fervent hope go out to meet the new year.

As we look back in the world picture, we still find athletic teams trying to evolve free people. This means that the freedom loving people must maintain a constant vigil to protect themselves from the forces that would take away this freedom. It is expensive and must be fought for if necessary, let's be glad for anything that will disturb this freedom that is ours.

As we look forward to the year of 1937 we find that the world was not embroiled in any armed conflict. Even though there appears much suspicion and unrest, let's hope and pray that no such disastrous conditions will befall us in the coming year.

JEDNOTA REMINDERS

Just a little reminder that our Jednota is over 38 years old. It is the oldest and strongest of the Czech and Slovak nations in the U. S. and the outstanding contributions made by many thoughtful men and women have earned for it the distinction of being the largest Bohemian Catholic fraternal in the world. Let's all help to make it the best.

The year 1938 was good in the Jednota. Many new men, women and children joined the membership rolls. We are now at the 125 membership mark. Those who have made special efforts to make it so, we owe a special debt of gratitude. May the slogan "For God and Nation" continue to be an inspiration leading a greater Jednota.

It can be recalled that in 1936 as in all previous years since the Jednota was founded, special contributions were made to Slovak Catholicism. These were not as monuments of the past but as a contribution to the future.

As we get ready to part with the old year and new year preparations for the new, we should remember to thank those who have helped us in the past. We should remember to thank those who have helped us in the past. We should remember to thank those who have helped us in the past.

Let's give Jednota more of our concern. Let's all endeavor to contribute at least one new member in the coming year. When this is done, let's be proud about the final outcome of the close of the year.

Z NASEJ REČI

Nemám čas nazbyt. Čili má zneu zneu. Ako by a zneu zneu. Do siemeho neba vidí. Nehodje je toľkej ľaskej. Neodby ma smútku. S neprestávaním nerad. S mocejším ma nevad. Múdry nestojí o bohatstvo. Nešťastník avtom vidoh. Nevieim mu mema. Nepravim som nič leho. Niečo za niečo, nič za nič. Radšej niečoho, ako nikedy. S zohnaní sa poradiť. Než dom ľavou nohou vstať. Do včiehoj mu strkať. Povest nos. Nevidí ďaleko od nosa. Má to poť noćom. Pelka, so ňou. Co sa nosi, drat sa musť. V súditi prítia pomaď. Náska ľešom ľama.
