KATOLICKÝ TÝŽDENÍK

ÚRADNÝ ORGÁN PRVEJ KATOLICKEJ SLOVENSKEJ JEDNOTY V SPOJENÝCH ŠTÁTOCH AMERICKÝCH

ROČNÍK (VOL.) LXX.

MIDDLETOWN, PA., V STREDU (WEDNESDAY), 17. AUGUSTA 1960

ČÍSLO (NO.) 2804

KAMPAŇ 70. VÝROČIA PRVEJ KA- TOLICKEJ SLOVENSKEJ JEDNOTY

A 100. VÝROČIA NARODENIA JURAJA ONDU,
prvého hlavného predsedu I. K. S. J.

524 NOVÝCH ČLENOV PRIJATÝCH V JÚLI

Dobrá práca sa vykonala, nech je Bohu vďaka, tak-
tiež každému, kto sa svojou prácou o to pričinil.

Ale pamätajte si, hoci prosíme, aby v každom
spolku mesačne aspoň po jednom novom členovi sa prijalo,
verte, v mnohých prípadoch je to ako blas na púšti volajúci.
Ale Boh sa o Jednotu stará, dal jej mnohých, čo na-
hrádzajú to, čo iní zameškajú. Napríklad v júli VDP. AND-
REJ R. BIRÓŠ, hlavný duchovný KJ, poslal nových na 41
bodov a MICHAL J. ZÁHORSKÝ, pokladník KJ, pomohol
získať 43 nových a pomocou pre JANA R. SIMKÚ, z Impe-
rial, Pa., ktorý dostal 29 nových na 34 bodov a STEFAN
DUGAS zo Slovan, Pa., 12 nových a 27 bodmi. Podpredse-
da STEFAN ONUŠKA nám poslal za schôdzky a 70ročnej
slávnosti okresu Magr. Ján E. Rúra KJ v štáte New Jer-
sey na \$41.000.00 nového obchodu, na čo prispeli: STEFAN
ONUŠKA, hl. popredca KJ, \$14.500.00; STEFAN ŽAK,
člen najvyššieho súdu KJ, \$11.000.00; ANDREJ CHAM-
RA z Carteret, N. J., \$9.000.00; STEFAN BEŇO z Lin-
den, N. J., \$5.500.00; ANDREJ SYARTO, Lihden, N. J.,
\$1.000.00.

To je ďalší príklad, ako sa slávnosti majú robiť. A nie-
len to, ale podpredsa ONUŠKA nám píše, že bude mať
viac nových, keď príde na slávnosť do WASHINGTONU.

Keď sme pri tom, dúfame a prosíme, aby každý, kto
úradne sa zúčastní na slávnosti, ponúkol sa peknú sláv-
nosť, lebo do dňa, keď v úradovník tajomníka píšeme
tieto riadky, máme už v hoteli rezervácie na 229 osôb, ú-
častníkov to zjazdu. A aby každý vedel, ide sa, zjazd
bude v Sheraton Park Hotel, 2660 Connecticut Avenue, N.
W., Washington, D. C. — Začne sa 23. augusta 1960. Sláv-
nosťná sv. omša bude v Immaculate Conception Shrine,
Fourth and Michigan Avenue, N. E., Washington, D. C.,
28. augusta o 10.00 hodine ráno. Očakáva sa, že na túto
sv. omšu príde pekný počet jednotárov a ich rodín.
Na svojich autách, busmi a vlakom, okrem tých, čo prídu
na zjazd. A každému, kto príde, sa dá s darom obed v
Shrine Cafeteria. Listky na tento obed budú mať na sta-
nosti v ten deň pri kafeťérii, ktorá je pod Shrine, hlavný
podpredsa ONUŠKA pod správou exekutívneho podpredsedu
JANA A. SABOLA. Hlásia sa hneď pred sv. omšou a na
obed idte hneď po sv. omši, aby každý mohol sa na obed
dostať.

Teda, kto môže, nech príde na túto slávnosťnú sv. om-
šu, na ktorú povolať máme nielen laikov, ale tiež našich kňaz-
ov. Využite túto príležitosť pomôcť sa k Pánu Márii,
patronky Spojených štátov, patronky Slovenskej krajiny
a patronky Prvej Katolíckej Slovenskej Jednoty, aby or-
odovala za nás. Toto orodovanie svet dnes potrebuje viac,
ako ho kedykoľvek potreboval.

Rozpisal som sa, ale je to posledný prípis pred sláv-
nosťou. O mnoho viac by sa o našich pracovníkoch dalo
napísať, ale odpustite.

Tu nasleduje zoznam tých, čo do konca júla majú 80
alebo viac bodov a tak potom nasledujú podľa MO zozna-
mu mená tých, ktorí koľko nových v júli navrhli. Keď
im vrelo ďakujeme, prosíme Boha, aby ich a ich rodiny
a PRVÚ KATOLICKÚ SLOVENSKEJ JEDNOTU žehnali.

Od 1. septembra 1959 do 31. júla 1960

BISKUP-HRDINA PAVEL GOJDIČ SKONAL

Zo Slovenska prišla zvest,
že dňa 18. júla 1960 zomrel vo
vzduchu v Leopoldove prešov-
ský pán biskup Pavel Gojdič
po 10 rokoch strávených v za-
lári, po 33 rokoch v biskup-
skej hodnosti, po 49 rokoch

kňazstva a v 73. roku svojho
života.

Do verejnosti na Slovensku
nedali o tom zprávu, iba jeho
príbuzní boli o smrti upovedo-
mení, no jeho mŕtve telo ne-
bolo im vydané. Takto zakon-
čil svoj život biskup-hrdina,
ktorý pro svoju vernosť svä-
tej rímskej stolici radšej strá-
vil 10 rokov vo väzení, nežby
zaprel katolícku vieru.

Pán biskup Pavel Gojdič,
pokrstený ako Peter Gojdič,
narodil sa r. 1888 v Pekla-
noch, neďaleko Prešova, kde
jeho otec bol grécko-katolí-
ckym kňazom. Z jeho súroden-
cov obdivujú bratia stali sa
kňazmi, a sestra bola vydatá
tiež za kňaza. Teda bola to
tradičná kňazská rodina. a-

Pekná slávnosť okresu

Mgr. Ján Rúra

(Dokončenie z 1. strany)

rokov od založenia KJ a 100 rokov od narodenia prvého predsedu Juraja Ondu. Keby Katolícka Jednota nebola bývala založená v Spojených štátoch a Kanade, dnes by sme neboli spolu na tejto slávnosti. Môžem vám povedať, že br. Baník svoju úlohu vykonal majstrovsky.

Dámp. Andrej Okál sa úprimne vyslovil, že katolíci majú podporovať KJ, pretože KJ podporuje katolícku cirkev. Obradník sa mu srdečne poďakoval za jeho úprimné slová. Brat Ján Fischer, predseda Okraja 324 KJ v Carteret, do najdôležitejšia posravní obecnosť tejto krahme a zaujímavé slávnosti. Hon. Stefan Šidha, mayor mesta Carteret, N. J., blízky priateľ Slovákov, na výslovl, že sa zanjima a má šťastie počúvať tie krásne reči o naš Slováčoch a katolíckoch. Pozná na tejto okraj popredných Slovákov, i v našom meste, kde sú činní a stoja za svojím národom, a za svojimi klubmi a spoločnosťami. Sú dobrí Američania.

Dalej bol nám predstavil Hon. Juraj Oľovský, freeholder z Middlesex County. Pomenoval, akú veľkú prácu vykonali naši poprední vodcovia za 70 rokov. Preto je potrebné pracovať za blahobyt nášho národa i našej mladšej generácie v budúcnosti, ktorej ja tak veľký počet. Náš obradník, ktorý je taký chytrý a vie, čo komu patrí, vyvolal, aby povstali všetci vo výboroch i a manželkami, ktorí tak pekne spolupracovali za úspech tejto slávnosti.

Br. Ján Dzurilla, councilman z Carteret, N. J., sa veľmi zaujímal o športové a basebalové záty. A chlapci mali s toho radosť, keď im hral na iné miesta, a tak sa stávali členmi MOKJ. On je dobrý Slováč a pracuje za náš slovenský národ a cartaretskí Slováci pracujú s ním.

Tu prichodí na rad br. Baník a predstavuje nám brata Stefana. Onuška st., hlavné ho podporuje IKSJ na východe. My všetci sme a veľmi vážili vzácné a poučné slová br. Onuška. Spomenul, že Katolícka Jednota nie je pociťujúca spoločnosť, ale aj podporná organizácia. V meste Middletown, Pa. máme

strotinec, kde sa naše stroti vyučujú. Aj náš terajší redaktor br. Filip Hrobák bol stroti a využil sa a teraz pracuje za nás Slovákov v Amerike i na Slovensku, keď je potrebné. Na spomenuté miesto môžeme naše dieťky vyslať na vaukácie. Platí sa \$8.00 na týždeň. KJ vypláta už podporu v miliónoch vduvám a strotám, pomohla študentom, podporuje aj naše mestrícky a naši chlapci sa učia na stav kňazský. A Boh prelo žehná KJ a jej členstvo.

Brat Onuška nás vrels pozdravil v mene celého hlavného úradu KJ. Ja viem, aj my všetci vieme, že je on horľavý pracovník. V Perth Amboy je najvyšším číslom KJ a MO v Spojených štátoch a Kanade. Nejdem chváliť br. Onuška, ale on zasluhuje od nás všetkých pochvalu, že nás povzbudzuje do práce za náš slovenský národ i za nové členstvo KJ.

Hovorí sa, keď sláviť, tak sláviť, aby sa radosť učinil. Pracovníci nášho okresu odali na pamiatku nášmu hl. podpredsedovi \$50.00 nové poistenia. Na bankete bolo prítomných okolo 150 hosťov. Dalej musím priznať, že to bola moja najväčšia radosť, keď som videl taký pekný počet na tejto slávnosti. Tu sa ukázal ten pravý katolícky slovenský duch, ktorý panuje v našej Jednote a ktorého ducha vstúpil do afce našich otcov vidp. Stefan Furdek.

Slávnosťou rečníkom bol dp. Michal Churák, ktorý nám hovoril, že nikdy predtým naša americká vláda nehládala tak priateľov ako teraz. Naši susedia na Kube želmami, ktorí tak pekne spolupracovali za úspech tejto slávnosti. Br. Ján Dzurilla, councilman z Carteret, N. J., sa veľmi zaujímal o športové a basebalové záty. A chlapci mali s toho radosť, keď im hral na iné miesta, a tak sa stávali členmi MOKJ. On je dobrý Slováč a pracuje za náš slovenský národ a cartaretskí Slováci pracujú s ním.

PREPARATIONS FOR FALL
AND WINTER SPORTS

Good and summer weather is slowly leaving us and so are summer sports. It is time now to set up our fall and winter sports activities. This week we are marking fun on the Jednota summer camp and it will be a memory to the children who were in attendance knowing and believing that all had the time they all looked forward to prior to coming to the Jednota camp. All the children that I have had the opportunity to talk with are already planning for the next year summer camp as to how many weeks they will stay. Many of the older children that are already growing out of the age limit, are very well concerned as to where they will have to go. They have been asking whether it would not be possible for the First Catholic Slovak Union to have a few weeks of camping for them who will be in the age bracket of 14 to 17 years of age. I know how they feel for they are still in the age that desires to be away from home for at least one week of their summer vacation, so I am hoping that in the near future we will be able to come up with a solution that will be satisfactory to all concerned.

The children really had a wonderful time at camp this year and expressed themselves by cards to me prior to leaving camp. On most of these cards they have stated what they enjoyed at camp and you can well guess what it was. Swimming held first place and then the games of volleyball, softball, badminton, hiking and tennis that were arranged for them, such as a trip to Olmsted Park Force Base and having the opportunity to sit in a jet, a tour of the Jednota Priory and a sample leaf print, and the visit to Hershey Park which is always big with the children. The boys had themselves a time playing handball and every spare moment that they had was engaged in a handball game. All in all they enjoyed all the activities that were presented to them by the camp counselor, Jay Backus, who did a magnificent job for the past six weeks. Ray made a hit with all the campers as he kept them well occupied during the day and just before bedtime went up to the boys dormitories and led them in prayer. I am very grateful to Ray as his day was a long and tedious one for he was up at 7 a. m. and never laid his own head on the pillow before 10:30 p. m. So from all the campers and on behalf of the First Catholic Slovak Union and myself I want to thank you for your untiring work and all the good Lord wills it we are all hoping to see you next year for the summer camping season of the Jednota. May the Lord bless and keep you and help you this coming school season that you may go through with a breeze.

WHAT IS YOUR DISTRICT PLANNING FOR THE CHILDREN IN THE WAY OF SPORTS?

This is a serious subject. What is your District planning in the way of sports for the winter months? As we all know we must keep the children occupied for it will prevent them from mixing with bad company. Sports is a good cure no matter what kind of sports, but the major sport for the boys is basketball which seems to be enjoyed by all youth and it would be very nice if each District would form an all Jednota basketball league which would create a competitive game. This sport is not too costly and less dangerous to the children. The hard day for league play would be their off day from school which is Saturday. Bowling is another sport that is the upcoming venture for the youth, so you could be grooming them for the Junior bowling league. If anyway possible much time should be given to planning a Jednota league for the winter. This is another competitive sport which is most inviting to children. This sport can be played by the boys as well as the girls and it could be made either in an all boys or all girls league or you can have three boys and two girls on each team. If the parents would get together with the District leaders this program can be put in effect and under the supervision of the seniors I believe the parents would enjoy this as much as the children would. This is one way to keep the children off the streets and pool halls. You could come in and view their bowling and in this way you would know where your children are. Don't just let all the responsibility on the District officer, but you as parents show your children that you too are interested in them by being active and help set up leagues and guide them along. If your child makes the varsity high school football team the whole family goes out to see him perform, so why not in Jednota sports? There is nothing that a child likes better than to see his dad or mom show interest in his activities. So don't be the one who stays in the back but join the front line and give your officers a helping hand that some of these sports can be put in play this coming winter season. Tell up your sleeves and dig right in for you will see how much closer you can be with your son or daughter. We are depending on all you parents so please don't disappoint the children. You will also be disappointing all of us.

JEDNOTA TENPIN BOWLING LEAGUES ARE PREPARING FOR THE COMING SEASON

The wheels are already in motion in the Jednota tenpin bowling leagues, as the officers who have been elected are calling meetings to set up plans for the coming season. The summer season and its sports are slowly drawing to an end and the people are looking forward to the fall sports and thus far bowling is the most enjoyed during the winter months. Last year the First Catholic Slovak Union had a number of Jednota leagues going which were comprised of all Jednota members and this coming year we are hoping that many more will be formed. Just think that many of the leagues will get started right after Labor Day which is not too far off. So to those who have not yet started to map out your league play it is time that you get busy! There are many more Districts that could be organized and have their own Jednota tenpin league as it would bring around more fraternal mixture and spirit. We all know that our Jednota members are bowling in various leagues, so why not bowl with your fraternal brothers in your own league? So why not talk it over with your buddies and get something started, we know once you start, it will simply grow on you. The biggest and hardest job is starting the league and once you clear that barrier it will be easy sailing. If anyone has any questions pertaining to forming a league please feel free and write as I will be more than happy to help you to form or start a Jednota league and will give you all the information necessary as to how to register your league with the American Bowling Congress, etc.

As we all know bowling under the Jednota banner entitles you to certain remunerations. The most compensated are the leagues that are composed of all teams which are Jednota members. So to be entitled to trophies, you must have all members that are participating, belong to the First Catholic Slovak Union. You can form a league within your own district with each branch placing a team or two. Once you are organized the rest will be easy. So talk it over between yourselves and pick out your officers and then get the wheels in motion and you are on your way.

I am wondering how many more Districts we will be hearing from? I surely hope that yours will be included this year as you really don't know how much fun you are missing. To tell you the truth you will be looking forward to these matches from week to week. So let me hear from you in the next week or so.

JEDNOTA MEN'S AND LADIES DUCKPIN LEAGUES ARE BEING SET UP BY LEAGUE OFFICERS

The officers of the duckpin leagues are mapping and planning for the coming season and will soon be coming out with their league formed with schedules and the place of bowling. The time is drawing nearer and we all know that the bowlers are awaiting that time patiently. As in the past year we are looking forward to the McKeesport Branch 276 Ladies League, the Donors Mixed League, the Tarentum House League and the Port Van Branch 432 Ladies League. How many more are going to join the all Jednota duckpin league? We are hoping to see your District well represented in all the Jednota leagues.

Any member who would like to bowl in any of these leagues can do so for all leagues are opened and all you have to do is contact the secretaries of the leagues and they will be more than happy to place you on a team prior to the season's opening. The more the merrier and if they cannot place you on one of the teams they will even go out and try to form a few more teams, that would enlarge their league. So don't be bashful but come forward and show your interest, and as far as just being a beginner, well have no fear as we are all amateurs. We know that once you start bowling in the league you will be inviting your friends to join and it will be something that you will be looking forward to weekly.

Many Districts can form mixed leagues if you wish for we have found out that husband and wife like to bowl together. All you have to do is form your league among the Jednota members and you are in business. We can see their point of view as it is a night out for both of them. So talk it over with your friends and see what can be done. Once you get started then the rest will be easy. Will your District have one of the new leagues this year bowling under the Jednota banner? We surely hope so.

MANY TRAVELING TEAMS CAN BE FORMED IN TENPIN OR DUCKPIN LEAGUES

We have been asked whether traveling leagues can be formed. By all means you can form either tenpin or duckpin leagues if you so wish but try to stay in with all participants being Jednota members. We understand that many branches cannot form tenpin or duckpin leagues in their locality but can form a traveling league within certain areas. This is one way of having good fraternal mixing and you can surely have a good time.

At the last duckpin tournament many asked the question: What happened to the well formed duck

SPORTS

pin traveling league of the past? Well that question is hard to answer, but there is no sign that it could not be started again. It depends on your District and I too feel like you all do, once you get started again it will be like the good old days of the past. So why not talk it up among yourselves and see what you can do about it. It surely is worth giving it a try once again.

We are hoping that the same can be possible in tenpin bowling and that is if your locality is too small to have your own Jednota bowling league that you will revert to the next best thing and that is a tenpin traveling league. This surely can be worked out with your neighboring towns which are not too great a distance away. Each team picks out a home bowling lane that they will play traveling teams and vice versa. You set your leagues in halves with to many seasons on each lane with all teams that comprise the league. League officers are chosen with all moves being sent in to the designated league secretary who will keep all statistics and forward them to the Director of Athletic Activities for publication. See what you can do by this setup if you cannot form your own Jednota league. We are hoping that many of these Districts will take advantage of this setup. There is no time to wait but get organized as soon as possible. Make your calls and contacts today and let tomorrow take care of itself.

M. O. BOYS AND GIRLS TENPIN AND DUCKPIN BOWLING LEAGUES

Now is the time to form your M. O. bowling leagues for boys and girls. We have had a few and it surely would be nice for the other Districts to follow suit and start one in their District. Many of our M. O. members are craving to have their own leagues so why not get behind them and start one. I believe you will enjoy it as much as they do.

JEDNOTA LADIES IN MANY DISTRICTS FORMING TENPIN LEAGUES

There are many Districts which are forming ladies Jednota leagues which is new for the Jednota sports. We are wholly behind this move as many of our Jednota ladies are bowling in various leagues and would like to bowl in a league that is comprised of its members. I want to express my thanks to the Ford City Branch 300 ladies as they are well on their way to having a Jednota league among themselves. We are hoping that many of the other Districts would follow their pattern this coming season. I know that the Youngstown District is out trying to form a ladies league and on my last trip to Cleveland, Ohio, they are of the same mind. Talking to some of the Branch 533 Akron, Ohio, members the wives of the Jednota bowlers are also thinking of forming their league, so we surely hope that this coming season we can have at least two or six leagues going. We are still hopeful that the Eastern Pennsylvania League will follow suit. Pittsburgh, Pa., is a feasible District for the ladies to get activated in a ladies Jednota tenpin league and so are the States of Michigan, Indiana, Wisconsin, New York and New Jersey.

So what do you say ladies that you all talk this over and give it a whirl. Make those phone calls and while conversing with your lady friend ask her if she would be interested in forming this league. You will see that she will have a friend and in turn this friend will ask another one, which will work like the chain letter of the old days. You will never know how much you can enjoy this league until you start one. I know that you will have as much fun as your husbands and it will give you a night out to forget your worries and just relax.

Many of the ladies have asked whether they could have a tenpin tournament like the men have. Nothing is impossible so as you work hard and form all ladies Jednota league we can lay the ground work for this tournament and it can grow as large as the men's tournament do. See what you can do in your District about this league. I am wondering if you all really want the league, so convince me. Hoping to hear from many of you in the next week.

SEVENTH ANNUAL JEDNOTA MEN'S HANDBALL TOURNAMENT FOR 1961 IN OWASSO, MICHIGAN

As we all know the next Jednota men's tenpin tournament will be held in Owosso, Michigan, and we are hoping that all the Districts will be making early plans in attendance. Now is the time to make your plans as special tickets can be formed which will ease the financial burden when the time comes. I know for a fact that many leagues put in much money each bowling night in the tournament which makes it easier and they don't feel it as much as if they would have to dip in the family budget before the tournament. This is a good plan to follow.

Will we see all the old faces in Owosso in 1961? We surely hope so and we also hope to see many more new ones as we know that you all will have a swell time. As you have seen by the last tournament payoff that the tournament has picked up in prizes and we promise you that this coming year we will follow the past tournament pattern. Who knows, your District team may be the winners this coming year and you too may end up the smallest champion or be one of the doubles winners. You have to participate to find

Twos a girl and refreshing event at the Jednota summer camp on opening week as the campers enjoy the swimming pool which is one of the enticing features of the camp. The water was fine and inviting as you will note from the children's expressions.

TO ALL BOWLERS AND JEDNOTA SPORTS PARTICIPANTS

Be a member in good standing. As we all know we have the best security that we can buy anywhere so let us keep it enforced by keeping up our monthly premiums. As the saying goes: "Be a good Jednota by paying your dues every month." This will make it easier on the secretary and treasurer of your branch as they have to keep the monthly assessments up and by each and every member paying his dues, this job is much simpler.

You can all help the growth of the First Catholic Slovak Union by signing at least one new member a month. We all know that there are many people who have not as yet been approached about joining the Jednota and who knows one of these may be your neighbor. So get out those application blanks and sign him up for you will not only be helping enlarge the First Catholic Slovak Union but you will be giving this person the opportunity to obtain the sturdiest and reasonable security ever. Many of the people who are Slovaks or married to Slovaks have no knowledge of this security and would be more than willing to sign up if and when it was explained to them. So don't let that prospective member get away. Will you help the growth of our First Catholic Slovak Union? I surely hope so. We all know that you are interested in the Jednota or you would not be interested in the sports and its fraternal mixture. We depend on members like all of you and we sincerely know that you will not let us down. Make the balance of the year of 1960 one of the best and most feasible by subscribing new members. We still have four and a half months to do it in and if we all pitch in and roll up our sleeves this task or venture will be an easy one. We need your help to reach the 100,000 mark and with all the members getting behind and pushing this can be done. So I want to thank you for your kind and courteous support in advance. May the good Lord bless you all and take a liking to you.

SPECIAL NOTICE TO ALL BOWLING LEAGUE SECRETARIES AND OFFICERS

Here are some musts for the secretaries of all the bowling leagues which must be followed down to a "T":

1. As secretary of your league you must ANNOUNCE your league to the Director of Athletic Activities that he may have YOUR ADDRESS for future correspondence.

2. You will receive registration forms which MUST be filled out as soon as possible and RETURNED to him so that your league may receive the remuneration to which they are entitled on completion of the season in the past year the secretaries waited too long in sending in the filled out registration forms which prolonged the Athletic Meeting which allis remunerations.

3. Upon announcing your league you will receive score sheets that you will use to send in your weekly scores so we can see the progress of league play. We will have to have your scores WEEKLY or your league will be under the opinion as INACTIVATED. This is the only way that we know that your league is still in progress.

4. The secretary will supply the Director of Athletic Activities with a schedule for the season play as well as the day, time and bowling lanes where the league bowls.

5. The scores of the week's sessions must be in the hands of the Director of Athletic Activities on MONDAY in order that they may appear in the next issue of the Jednota. These scores arriving after Monday will appear in the following issue as I must have them in the priority by Wednesday.

6. The league secretary can write the by-laws if he so wishes. I must ask that YOUR BOX SCORE SHEETS be printed LEGIBLY as it makes it easier for the type setter in setting it up. Please extend him this courtesy for some of the sheets are hard to read.

7. Only the leagues which are composed of ALL JEDNOTA TEAMS will be entitled to trophy awards as in the past year as per the Athletic Committee. Also your league will be judged on size for how many trophies you will receive. Each league should be comprised of over six teams or more.

8. Upon completion of the season notify the Director of Athletic Activities as to the winning teams, and its members. WITH SUFFICIENT TIME that the trophies may be purchased and engraved PRIOR to your banquet. Please print individuals and winning team names legibly. This will save embarrassment to all concerned.

9. The SECRETARIES should register their leagues with the ABC in tenpin league play, and the duckpin leagues with the ARABBC. This will enable the participants to compete for the special awards that they offer. This should be done as soon as possible.

THE CRIMES OF KHRUSHCHEV

Consultations with Mr. Joseph Pauco and Father Theodorle Joseph Zábek before Committee on Un-American Activities
House of Representatives

Not infrequently the secret police with loaded arms in hand, would swoop down upon and raid private homes and apartments to terrify the occupants and ransack their possessions; or they would, unprovokedly, unjustly, and without warrant, merely break into citizens' private dwellings and, terrifying them with their guns, search and ransack the premises; or, as it often happened, they would, with guns or bayonets in hand, burst into a church during services, insult and attack the officiating clergyman, or even rudely lay hold of him and carry him off the pulpit during his particular religious or liturgical service.

The tortures, indecencies, and inhumanities committed by these secret police upon the Slovak people in Slovakia were the same, or very similar, as those advocated and recorded in the writings and records of the GPU and NKVD.

Mr. Arens. Do you have any reports of the present activity and methods of the secret police there?

Mr. Pauco. Yes, we do have. Just recently the Slovak National Council Abroad received a trustworthy report from various Slovak political prisoners in Czechoslovakia, reliably depicting the malconditions and maltreatment variously and indiscriminately imposed upon the hapless Slovak political internees merely according to the particular suspicions and unscrupulous whims of this police force. For instance, an example in point is that of the Leopoldov, one of the severest and cruelest prisons and concentration camps to which the noblest and finest Slovak opponents of communism were and still are sent. At present several hundred of them are thus incarcerated there.

Among the prisoners in Leopoldov was Bishop Jan Vojtasak, now 82. He was ordered to strip completely and made to stand on flagstone floors for 2 hours. From time to time they were all forced to do squatting exercises. When the aged Bishop Vojtasak was no longer able to keep up with the exhausting exercise, the cruel warden shouted at him brutally, "I'll give it to you! So your breath is running short? Get on with the drill! Squat and jump! Get on, even if it kills you!" and he cursed savagely.

Some items of personal use and value belonging to the prisoners were heaped up in a pile, and when one of the unfortunates complained that it might be difficult to find what was his later on, the guard commented cynically, "And why should you want it? You're going to rot and die in this place, anyway."

Most of the prisoners were housed in solitary cells. As soon as the warden knocked, however, all, even those in communal quarters, had to give an immediate response by drilling squat-jumps at once, squatting and rising at a fast rate and counting in a very loud voice. Often they were required to squat-jump an average of 300 times a day; but if the guard or keeper was in a mean mood or if a control commission arrived from Prague, the requirement was raised to from 500 to 800 repetitions. No consideration was granted to the state of health or to the age of anyone. Those who were overcome in the course of the routine and blacked out were revived with dashes of cold water. This happened more than once to Bishop Michael Buzalka.

Guards or even corridor patrols chosen by the commandant from among trustees (mostly criminals), for even the slightest cause and by their own petty authority, would arbitrarily decree "punitive rations" or "hard bed" to a prisoner for at least 14 days, sometimes even for several weeks. "Punitive rations" meant that out of his normal rations, which were already so miserably as to really amount to starvation fare, an ill-fated prisoner would receive a scant half. "Hard bed" meant sleeping on the bare floor.

Imprisoned medical figures that normal week-day rations served to the inmates provided from 800 to 1,000 calories per day; Sunday servings offered from 1,200 to 1,400 calories — this in comparison with the minimum of 2,400 calories which a grown man doing no manual labor requires in order to maintain well being. Nevertheless, on the average one-third of the prisoners were usually assigned "punitive rations." There was a fearful spread of anemia, malnutrition with attendant swelling of the limbs, bleeding gums generally inducing loss of teeth for want of adequate vitamins, etc. Practically one out of every three prisoners was afflicted with at least one of these ailments. Doctors were helpless.

An inmate confined to a normal cell was subjected to from 300 to 600 squat-jumps a day, depending on the temper of his guards. A prisoner "in punishment," however, was ordered to do more than that number of squat-jumps. Besides, in a "correction block," they also had to race from 20 to 50 times a day down the full length of the prison corridor, clad only in their underclothes; they were apportioned only half-rations and had to sleep on the bare concrete floor. At night they were often roused from sleep, and each time they had to respond to roll call and do squat-drills. Some prisoners were detained here as long as 2 or 3 months.

There were fears that the civilian population of the area might come to aid the prisoners. Intimidating tactics were set in motion. From watchtowers shots were poured into the cells of the prisoners who had to take cover beneath their beds. The prisoners were not allowed to sleep at all. They had to strip to their underclothes, and then police dogs were driven into the rooms. No quarters were spared. Even the prison infirmary, where lay mortally sick prisoners and patients recovering from major surgery, was overrun by dogs that raced about wildly from bed to bed and on the beds. All of them, of course, were muzzle-free.

The performance of divine services, as well as the retaining or reading of religious books, has been proscribed in all penal institutions ever since 1950. Rosaries, crucifixes, and common prayer are also forbidden. Even the dying are denied the consolation of a priest, nor may a priest perform any functions for the dead. At Leopoldov the guards bury the dead in a state field on the other side of the railroad tracks, not far from the grim walls of the prison camp. No mounds mark the places of the graves; they are identified only by small stakes each with a number.

It took no great political acumen to make out that Dictator Khrushchev's twin "summit" suggestions and Zhou En-lai's "peace pact" proposal were parts of a "propaganda trip." Even a number of newspapers generally given to appeasement recognized that.

Undaunted, The Worker went on, of course, to do Moscow's work, representing all Soviet and Red China gestures as "efforts to reduce world tensions." And so it is that in its August 7th issue we read:

"The speed with which both proposals were rejected by secondary officials of the Eisenhower administration was viewed with alarm by political observers both at the United Nations and in Washington, who are questioning U. S. sincerity on its peace objectives."

FEAR U. S. COUNTER-MOVE

It may be wondered why the comrades here sought to press home such ideas, seeking to make us ashamed of not going along with Khrushchev, when their real purposes were so thinly disguised. It is true they made a big play at the fact that "The Republican and Democratic parties were swiftly given an opportunity to redeem their national platform pledges to negotiate with the Soviet Union" by the Kremlin-Peking gambit.

While that gives something of their reasons, since they are strenuously probing both political parties to get them to outdo each other in apologetic attitudes toward Khrushchev, it does not tell the real tale. What Moscow, Peking, and The Worker have very much in mind is to talk any real drive the United States may make against the Soviet's bitter anti-American offensive.

Most Americans have no knowledge of the storm which the Soviet Powers have churned up against our action. The Reds do not want us to know, for fear we will engage in a real counter-move.

The best I can do is to throw the spotlight on some phase of this hurricane of hatred, and for that purpose I call attention to the great "Anti U. S. propaganda week" carried on throughout the length and breadth of Red China from June 21-27.

Chairman Mao Tse-tung and Premier Chen En-lai opened up that week of vitriolic invective against the United States by receiving at Shanghai the visiting Japanese Writers Delegation headed by Ei-roshi Numa. There it was that Mao Tse-tung set off the week of dedication to the destruction of the United States by the declaration to the Japanese "that U. S. imperialism is the common enemy of the Chinese and Japanese peoples and of all those peoples throughout the world who love peace and uphold justice." He commended the Japanese people for having "discovered a good method in the present situation of opposing the new Japan U. S. security treaty and U. S. military bases and driving out the U. S. military aggressors." This was by "uniting the broadest possible forces" against the villainous United States.

ALL-OUT DENUNCIATION

Descriptive of the accumulated anger against our country in that week, we read that "226 Million Democrats Against U. S. Imperialism." All of this appears in the Peking Review of June 28. Then we read the following in its pages: "A powerful armed demonstration on June 10, the guns of the Chinese People's Liberation Army on the Pukien front thundered out a 'vend all' for the god of plague Eisenhower. The road of that cannonade was followed by a tremendous upsurge of popular wrath in China against U. S. imperialism. This storm raged throughout the length and breadth of the country during the June 21-27 propaganda week against U. S. imperialist aggression, for resolute liberation of Taiwan and defense of world peace. The whole nation went into militant action. It was a national denunciation of U. S. imperialism, mankind's public enemy No. 1."

The Red national press was enlisted, broadcasting stations arranged extra anti U. S. programs, books and pamphlets were printed against us, electrical companies staged special anti-American performances, and moving picture concerns showed films opposing U. S. imperialism. The week is well represented as an imposing

demonstration of Red China's "hatred for its deadly enemy, U. S. imperialism. The people left no doubt about their firm determination to liberate Taiwan."

Against such venom, which even represented President Eisenhower as "the ugly American" on parade and as an ardent coward at Okinawa, an adequate answer is given by our present laudatorial position. It requires that Red China be included in the great anti-Soviet offensive as urgently demanded. You can do your part to help our general press and our leaders to come to some such sensible understanding.
