We can expect plenty of action from the Ford City, Pa. Branch 200 Jednota ladies tenpin league which inaugurated its season last Wednesday, which on record has an eight-team entry. The secretary of the league who has done her first official reporting of the action which was performed on the F. C. S. U. automatic bowling lanes is Carolyn Lungrik, and from her first report which is neat and precise, we want to commend her for all her efforts and know that her choice was an asset to the league which is in its first year.

Things started off with a bang as the Power House girls after dropping the opener to the Chunks came back in good fashion to capture the second and third games to get their hold on first place in the league standings. The big fire for the victors were M. Surovic, league president, as she fired a 145, 414 to be aided by A. Groves' 160, 412 series. For the Chunks, score compiler D. Lungrik hit the maples for a 162, 448 series with M. Vulgan giving support with a 142, 400 set.

The Milky Way lassies just melted the Mello Cups for two points as they found themselves after dropping the first game. Spear heading the road to victory was A. Prazenica as she registered a 174, 488 series with a helping hand coming from A. Kovach's 160, 416 set. For the melted Mello Cups Millie Tomasiewicz made a bid for victory with a 159, 449 series with the aid of J. Halas' 151, 413 set, but just couldn't make it.

The Almond Joys really did not find their joys after dropping the first and second games to the Zagnuts, as the peanutliests turned their joys to griefs. The first and second games were decided by 2 and 6 pins, respectively. In the third game the Joys came back and received sweet revenge as they downed the Zagnuts by over 95 pins. Leading the attack for the Zagnuts was Jo. Prazenica as she boomed in a 177, 185, 470 series with M. A. Right following with a 143, 419 set. For the Joys who had sorrows, Vickie Marcinak spilled the maples for a 482 set with Polly Prazenica right behind with a 440 series.

M. Marcinak paced the Mars' with her 453 series and N. Smulik's 387 set helped to upend the Good N Plenty for two games in their session. This kept them in contention for the first spot which shows four teams with a 2 and 1 record and a complete reversal of 1 and 2 in the standings for the balance of the league. R. Coeply fought gamely as she posted a 413 series with C. Grossman doing her share as she kicked in a 395 set.

It looks like this league will be a fascinating league and please don't sell any team short for this is still anybody's ball game. Before long the race will be better than a firecracker on the 4th of July. On behalf of the First Catholic Slovak Union, its directors and membership, and also on my behalf I want to congratulate and wish you all and the league as a whole the very best of luck and may your bowling throughout the year be on the highest level. So whether you hit them high or low, relax and have fun and we are very happy you all bowl as Jednotars.

Jednota No. 3 (Gergerach Drugs) Takes Lead in St. Mark's Holy Name League

In the St. Mark's Holy Name tenpin league the Jednota No. 3 Gergerach Drugs surely haven't wasted much time to jump in the league's lead by downing the Pitt Oil for three joints with Slanina spilling the maples for a 588 series followed nicely by Kolsun's 577 set which was more than enough for the Pitt Fuel. Poluha looked best for the losers with his 544 series and could have used some help.

This session was the battle of two of the Branch 95 teams with the red going over to Jednota Branch 95 two to one under the fine bowling of Pawlesh who marked up a 516 series. For the Jednota No. 2 Bonnie Cleaners, Redmierski hit the maples for a 538 series but still fell on the short end. This surely promises to be a league to watch as you will see plenty of action and high scores.

For Less Than a Penny a Day
You can insure Slovak Catholic children in the JEDNOTA for \$1,000.00 - and for an additional HALF-PENNY A DAY up to \$2,000.00.
See to it that you sign up all the Slovak Catholic children in your vicinity for the JUNIOR ORDER of the First Catholic Slovak Union.

Egypt Jumps Off To Fast Start In Eastern Pennsylvania Jednota Opener

The Eastern Pennsylvania Jednota League opened its season on Sunday afternoon, September 11, 1950 and from the way the teams started off it looks like another banner season is in store for the league.

Bethlehem traveled to Allentown No. 1 and Ed R. Kopas leading the way. Bethlehem took two points from Allentown No. 1. Kopas opened the first game with 9 straight strikes and the tenth ball was right in the pocket but the tenpin stood up and thus went Kopas' dream of having a 300 game right at the start of the season. Kopas finished the game with a big 279 and a 585 series. For Allentown No. 1 it was Steve Skrovanek with a 569 series and Joe Mateco with a 553 set.

Allentown No. 2 opened their season at Egypt and this was the second surprise of the young season when Egypt, the door mat of the league took 3 points from Allentown No. 2 and thereby are leading the league. For Egypt it was Bernie Hudak with a big 247 opener and a 569 series and Steve Ballas with a 548 series leading Egypt to their 3 point win. High men for Allentown No. 2 were R. Haftl a newcomer to the league with a 538 series and John Mazza with a 510 set.

In the other game of the afternoon Cemenston traveled over to Catasauqua and with A. Bakes having a 223 second game and a 577 series led Catasauqua to a 2 point win over Cemenston. Helping Bakes was Eddie Pramk with a 554 series and Zuzie, another newcomer to the league, with a 527 series. For Cemenston it was Joe Kusch with games of 223 and 213 for a big 624 series leading the way. And with no help from his team mates managed only 1 point from Catasauqua. All in all the league started off fast, compared to other seasons and I'm sure as the league goes on there is going to be a lot more interesting surprises to come along. So to the league all I can say is good luck and keep up the good work. May your strikes be many and your misses few.
