

'ETERNAL WARFARE'

This symposium was attended by "Marxist scholars" from at least 21 countries, including the United States. Its conclusion was briefly as follows: "The need to intensify the struggle against monopoly capital was the key-note of all the contributions."

Opposition To Proposed "Equal Rights" Amendment

The resolution continues: "Because it proposed an idea of woman foreign to the Christian concept of woman equal, but individual, dignified with man, and because it would destroy the legal safeguards women have secured through the years, we oppose the proposed 'equal rights' amendment."

Many, thank God, are like the North Star—there when you need them, dependable, ever loyal, and a guide to a people.

True, there were drawbacks. Some diabetes doses prohibitively large doses of insulin. All were bound by the "tyranny of the can" — the need to pack

BY REV. A. V. PIER, O.S.B.

City, N. Y., celebrated their silver anniversary on Jan. 12. Rev. Andrej Drobnycky congratulated the Slovak couple after the jubilee Mass. The anniversary dinner was prepared by their four charming daughters. Mr. Galiba was one of periodic trials of this nature, was designed to discourage Slovak criticism of and opposition to the Czech communist regime now ruling Slovakia unopposed even by local Slovak communist leaders.
