Pragu, January 30, 2001

Dear Brother/Sister President,

The Executive Board of Czech Sokol Organisation in its meeting evaluated the XIII All-Sokol Slet in Prague. Among many aspects discussed was the active participation of Sokol Organisations from abroad, which was highly praised.

It is our pleasure to inform you that the Czech Sokol Organisation decided to present the "XIII All-Sokol Slet Medal" to your Sokol Organisation.

We wish to express to you our fraternal thanks for help in making the Slet memorable.

Nazdar!

Miloslav Pleskač, Dipl Ing.  
President

## From Your Editor...

Please make note of the correction to the Slet banquet date. The correct date is Friday, June 29, 2001. The Slet is rapidly approaching and work on the many facets of the Slet progresses at a frenzied pace. Entry forms have been mailed and must be returned to the American Sokol National Office by May 15. On a sad note, Bro. Hank Siedlik, a tireless Sokol worker and this year's Slet co-chairman, passed away suddenly. He will be missed.

# AMERICAN SOKOL GYMNAST

## It's Tryout Season Across The Country

With the cheerleading season winding down at schools and universities across the country, teams everywhere are beginning to hold their spring tryouts. Seniors will move on and make way for new talent as last season's rookies move up to veteran's status. Planning begins early to make sure things go well in the off-season and smoothly once everyone comes back in the fall.

Cheerleading is a sport! Cheerleaders are most certainly athletes! If you have any doubts about that turn on ESPN © Sometime, or take a ride out to see your local squad perform at a game or compete against other teams at a competition. And when you go to see them, remember, that is just a small piece of what they do.

Cheerleaders practice. They practice when they are tired, sick, or a little hurt, as plenty of athletes do in other sports. Some practice more than others, and you'll see that. That's alright though. You do the best you can with what you have to work with. The point is that you're "doing".

Cheerleaders have skills! More importantly, they have to continually develop and improve

their skills. Cheerleading requires plenty of stamina, strength, balance, flexibility, and above all, mental focus. It can be a demanding sport at every level. Whether they're cheering for their junior high basketball team or competing their routine in college at nationals for the world to see, these athletes represent a beauty and strength no other sport can offer.

As a former college cheerleader and Nationals Team member, I genuinely feel that Sokol played an important role in my many successes as a cheerleader. Sokol taught me how to tumble, do pyramids, and work with a team. Sokol can do that for other athletes as well.

My point is that all units should support their local cheerleaders and encourage some kind of cheerleading program in their own gym. Classes could consist of instruction in tumbling, dance, stunts, pyramids or even allowing the local squad or all star team to practice at your gym is a tremendous benefit to cheerleading squads.

Remember to think outside the box and find ways to promote cheerleading in your community, to your students and your unit.

## 2001 SLET NEWS

It's almost Slet time in Detroit. First, **many thanks** to the Slet committee for all of their hard work in preparing for the 2001 national Slet. The committee has been working for over a year to make our Slet a success.

**Entry forms** have been mailed to all units who completed and returned the Slet survey. All entries are **due by May 15** with the requested insurance information and entry fees. The National Board of Instructors respectfully requests that your directors, or person filling out the form, take their time and **carefully complete** each form and accurately compute the correct fees for their participation. Duplicate copies of the forms are available by contacting the National Board of Instructors Secretary.

After overcoming some obstacles in the last few months, **venues have been secured** and contracts have been signed. Site venues for the Slet include the Holiday Inn Fairlane, Edsel Ford High School, Dearborn Ice Rink, Southfield Recreation Center, Oxford Lanes, Warren Valley Golf, Sokol Detroit Camp, and Sokol Detroit Center. Addresses are available on the American Sokol website.

Arrangements are in progress for staffing the correct amount of **judges** for Artistic and Rhythmic events at Slet. It is requested that each unit submit the name of at least one qualified judge from their unit to **judge Calisthenics**. Judging assignments will be mailed two to three weeks prior to Slet.

american **SOKOL**

Housing and **hotel rooms** remain a bit tight, especially at the Headquarters Hotel. If you have not made housing arrangements, please do so ASAP. The Slet Headquarters hotel is the **Holiday Inn Fairlane** in Detroit and can be reached by calling (313) 336-7460. Other nearby hotels are the **Courtyard by Marriott** at (313) 271-1400 and the **Best Western Greenfield Inn** at (313) 271-1600. Both hotels are under Sokol Detroit's name.

Be aware of the **new volleyball rules** being used this year at Slet. When the ball hits the net on a serve, and continues over, the ball is still in play. All games will use rally/speed scoring to 25 points.

At the present time, the **Slet activity schedule** is not completely final. Use this as a solid guideline with **possible changes** as we approach Slet. Registration, coaches meeting, Fun Run/Walk, and Opening Ceremonies are Wednesday. Artistic competitions, Team Cal and Marching are Thursday. Championship Artistic, female Volleyball, male Fitness Challenge, Bowling, Swimming, male Basketball, Competitor Social and Banquet are on Friday. All Rhythmics, female Fitness Challenge, female basketball, male Volleyball, Golf and Awards Dance on Saturday. Slet Rehearsal, Slet Program, and Farewell Barbecue will follow on Sunday. WSF meeting on Monday.

Please understand that it is necessary to run multiple events simultaneously. This means that all participants should pay close attention to the event schedule. Due to these **overlapping schedules** swimming participants should not plan to participate in Friday morning competitive events and vice versa, bowling participants should not plan to participate in any other Friday competitive events and vice versa, Rhythmic participants should not plan to participate in the Fitness Challenge and vice versa, and golf participants should not plan to participate in any other Saturday competitive events and vice versa. Refer to your Slet Manual for further information.

Remember to wear your **unit ID ribbon** if you're a Junior or Senior. It is optional for the children to wear a unit ID ribbon.

**2001 Slet Souvenirs** are now available by contacting Rose Wiggle, C/O Sokol Detroit, 23600 W. Warren, Dearborn Heights, Michigan 48127. Some of the merchandise includes T-shirts, coaches shirts, sweatshirts, pins, magnets, pens, baseball caps, watches and license plate holders.

Please be aware and familiar with **the Slet corrections** for Senior Coed Group II Cal (Directors Newsletter 4/2001), the Junior Cal (Directors Newsletter 2/2001), Volleyball (see opposite page), and the Men's Masters and Women's modified 2 and 4 artistic corrections (Directors Newsletter, 2/2001).

[www.American-Sokol.org](http://www.American-Sokol.org)

It is important that all participants wear the proper **uniform** during each activity. For instance, there is up to a one point deduction for uniform infractions during artistic competition. Please refer to the Slet manual for specific details on uniform requirements. Contact the American Sokol office for information concerning class uniforms. There are supply shortages in some areas. Sis. Jean Vondrasek and Jackie Kourim have been doing an outstanding job in the uniform department. Thank you.

**Help Wanted:** Coordinator for Men's and Women's Basketball tournaments. Ideal candidate should have good people skills, be able to keep the games going, be familiar and proficient with basketball rules, be able to enforce tournament rules, and be available for the duration of the tournament. The coordinator cannot play. Please contact Barbara Barnes, National Women's Director at [BarbaraBarnes@American-Sokol.org](mailto:BarbaraBarnes@American-Sokol.org) and Chuck Kalat, National Men's Director, at [ChuckKalat@American-Soko.org](mailto:ChuckKalat@American-Soko.org).

Let's have some fun at the **Fun Run/Walk this year!** Encourage your unit to join in the festive event by putting together a simple, creative costume that will identify your unit. Colorful T-shirts are already being made so use your imagination and come up with something fun and creative (hats, jewelry, headbands, bandanas, etc.). The idea is to generate enthusiasm within each unit and all of the participants too. Let's do it together and have some fun

**Barryville, NY** – Preparations are being made at Sokol Woodlands Camp in Barryville, New York in anticipation for the 2001 World Sokol Federation Youth Camp beginning Sunday, July 1 and finishing Saturday, July 7.

Initially, it was estimated that approximately 25 campers would attend. It appears now that there will be over 40 campers at the camp, and registration is now closed. The American Sokol Board of Instructors and the camp committee would like to thank everyone who has contributed generously to the camp. With more campers registering it is imperative to mention that additional support is both welcome and needed.

The camp committee is also busy preparing the weeks activities which will include a sports, nature, arts and crafts, and international activity each day of the week.

**Omaha, NE** – The 2001 National Instructors School will be hosted by the Western District and Sokol South Omaha from July 23 to August 6 at Sokol South Omaha.

The course include beginner, intermediate, and advanced level curriculum, beginner through advanced rhythmic instruction and certifications in USAG Safety (16 and older), and PDP Level I (14 and over).

Contact your district or unit directors for an application and all applications are due by June 1. For additional information please contact the School Director, Bud Benak, Sr. at [VBENAK@earthlink.net](mailto:VBENAK@earthlink.net).

**Oak Brook, IL** – The American Sokol Merit Award Committee is now accepting applications for the 2001 Merit Awards. Application requests should be received by May 1, and all completed applications must be returned by June 1 for consideration. The application is also available on the website.

Selections are made by the committee from the applicants and then approved by the National Board of Instructors and the Executive Board. Awardees must complete their course of study and submit a transcript of grades.

The committee uses some criterion for its selection process. Regular class attendance, completion of Instructor Schools, teaching or assisting with gym classes, service to Sokol (unit, district or national), and recommendation from the unit and district directors. More consideration will be given to those training in the physical education field.

**Detroit, MI** – There will be a World Sokol Federation Board of Instructors meeting on Monday, July 2 following the Slet at the Slet Headquarters hotel. It is very important to keep communication clear and share technical resources among this global relationship of Sokol organizations known as the WSF.

The preliminary agenda includes organization reports, instructors' courses, evaluation of last year's youth camp and preparations for this year's camp, exchange of technical materials, Sokol at the start of the new millennium, Cal in the all Sokol Slet of 2006, a discussion on the physical fitness testing, and other additions or topics that would further the goals of the WSF and the member Sokol organizations.

**Oak Brook, IL** – Youth membership is approaching 1,400 and Each Youth Committee member has a specific job duty. Please insure that your unit forwards it's youth membership information without any further delays.

## All in the Family ...

Drilling in the XIII 2000 All-Sokol slet in the Czech Republic were three-generations of the Mentzer and Dropka family from Sokol Berwyn-Slavsky. Pictured L to R: "Babi" Mildred Mentzer (also of Sokol Town of Lake), Junior Boy Michael Dropka and his mother Milissa (Mentzer) Dropka. A memorable start of the millennium!
